A fully refurbished, luxury, modern and bright apartment, located on the ground floor of the Phase II development, in a gated area with security, parking places and garage. It is some 120sqm in size, with a 30sqm terrace benefiting from sun in the early afternoon and evening. Overlooking the swimming pools and tropical gardens. It is suitable for couples and families!

Ideally staying with 4 or a maximum of 6 people, with the 2-3 (bed)rooms and 2 bathrooms. The living room can serve as 3rd bedroom with the decent queen sofa bed, which can be used for a 5th or 6th person. The kitchen is large with all equipment needed to prepare a delicious meal. Furthermore, there is almost everything you need in the apartment, like hotel amenities, bathrobes, paddle tennis rackets, body boards, (beach) toys, child chair, baby bed and much more. An ideal accommodation for a holiday or to stay for a longer period of time!
